

2015 Annual meeting: Danish PhD network in Hematology

Hindsgavl Castle, 12 and 13 March 2015.

Course: Translational Genetics and Epigenetics in Hematological cancer

Chair: Kirsten Grønbaek, professor, MD, Department of Hematology, Rigshospitalet

Thursday 12 March 2015

1st day Course:

09:00 -10:00 Arrival and coffee

09:45-09:50 Welcome

09:50-10:35 Cancer genetics and epigenetics in hematology – Understanding the basics

Fazila Asmar, MD. PhD, post doc, Dept. of Hematology, Rigshospitalet.

10:35-11:15 Molecular characterization of hematological cancer – What are the potentials for clinical use?

Karen Dybkær, Professor, MSO, Depts. of Hematology and Clinical Medicine Aalborg University Hospital.

11.15-11:55 How to integrate molecular biology with pathology

Birgitte Preiss, chief consultant hematologist, Dept. of Pathology, Odense University Hospital.

12:00-13:00 Lunch

13:00-13:40: Minimal residual disease in hematological cancer

Hans B. Ommen, MD, PhD., Dept. of Hematology, Århus University Hospital.

13:45-14:30. Stem cells in hematological cancers

Johan Jendholm, Post doc., PhD, The Finsen laboratory, Rigshospitalet /BRIC, Copenhagen.

14:30-15:00 Coffee

15:00-15:45: Tumor immunology in hematological cancer

Sine Reker Hadrup, Ass. Professor., PhD, Danish Technical University.

15:45-16:30 Project presentation walks PhD students

16:30-18:30 PhD Project presentations talks PhD students

19:00-21:00 Dinner

Friday 13 March 2015

2nd day Course:

07.30-08.10 Breakfast

08:15-09:00 Hematological cancer predisposition

Stig Egil Bojesen, Professor. The Copenhagen General Population Study, Dept. of Clinical Biochemistry, Herlev Hospital.

09.05-9.45: How to identify a druggable target

Kasper Rasmussen, Post doc., PhD, Helin group, BRIC, University of Copenhagen.

09:45 -10:05 Coffee

10.05 -10.50 Running Phase I clinical trials

Ulrik Lassen, MD, PhD, Head, Phase One unit, Dept .of Oncology, Rigshospitalet, Copenhagen.

10:50-11:50 Epigenetic therapy in hematological cancers/familial hematological cancer

Jude Fitzgibbon, Professor, Queen Mary, University of London, UK.

11:50-12.00 Evaluation and Closing

12:00-13:00 Lunch with the Danish Society of Hematology (DHS).

-DHS annual meeting is held immediately after the course.
