

INVITATION

New professorship at the Department of Clinical Medicine, Aarhus University

As of 1st January 2017, Sandro Esteves was appointed honorary professor in Reproductive Endocrinology at the Department of Clinical Medicine, Aarhus University.

On Thursday July 6 2017 at 2.00 p.m. Sandro Esteves will give an inaugural lecture entitled:

“Novel Treatment Concepts in Male Factor Infertility”

The lecture will take place in The Ceremonial Hall, Regionshospitalet Skive, Reservevej 25, 7800 Skive.

The lecture will be in English.

The lecture will be followed by an informal reception.

Best Regards,

A handwritten signature in blue ink that reads 'Lars Bo Nielsen'.
