Organized by the Health Research Forum, Central Denmark EU Office and Research Support Office

Background:

Horizon Europe, EU's new framework programme, will open their calls in May 2021, and this webinar aims to prepare researchers for getting involved in a proactive manner now and in the next seven years.

The focus of our kick-off event will be on Horizon Europe's Pillar II: Global Challenges & Industrial Competitiveness, Health Cluster. We will discuss how to access relevant topics and how to become involved in EU collaborative projects. We will conclude with a presentation of the wide range of support functions and tools available to applicants.

Programme:

15:00 Welcome and introduction

Hans Erik Bøtker, Vice-Dean for Research, Faculty of Health

15:05 Getting involved in EU projects - experiences from partnering up for collaborative projects

Vivi Schlünssen, Professor, Department of Public Health

15:20 Horizon Europe's outlook on Health

Lina Christensen/Rikke Edsjö, EU Consultant at Central Denmark EU Office (CDEU)

15:35 How to engage with the Health Cluster and ways in which the Research Support Office can support your EU proposal and project

Anne Birgitte Lindgren, Research Advisor, Research Support Office AU & AUH
