

INNOVATION CENTRE DENMARK
SILICON VALLEY

Danish American Research Exchange - DARE Sponsored by the LUNDBECK FOUNDATION

**Are you up for a challenge?
An experience of a lifetime?
Do you DARE?**

The DARE fellowship program offers a unique opportunity for **accelerating your career in clinical research** and expanding your professional network.

Our exclusive, fully financed, **10-month fellowship based in Silicon Valley**, offers comprehensive training in clinical research with ready access to the insights and experience of internationally recognized scientists at the University of California, San Francisco and Stanford University.

We are seeking **five talented and energetic fellows** from August 1st 2019 to June 1st, 2020.

To learn more, please join one of our upcoming informational meetings:

Copenhagen University – Monday October 8th at 16.30 (Panum Tower - Nielsine Nielsen Auditorium)

Aalborg University – Tuesday October 9th at 16.00 (Auditorium, Medicinerhuset, 3rd floor West)

Aarhus University – Wednesday October 10th at 15.30 (Auditorium, Department of Clinical Epidemiology)

University of Southern Denmark - Torsdag d. 11. Oktober kl 15.30 (Winsloewsparken 19, room 1907).
