

**Invitation to inaugural lectures
by Henning Grønbaek and Giulio Marchesini**

Tuesday 6 November 2018 at 15:15

New Professorships at Department of Clinical Medicine, Aarhus University

As of 1 April 2018, Henning Grønbaek was appointed clinical professor in Internal Medicine and Hepatology at the Department of Clinical Medicine, Aarhus University. He will be giving an inaugural lecture entitled:

” Kupffer cells in liver disease”

As of 1 May 2018, Giulio Marchesini was appointed honorary professor in Fatty Liver Diseases at the Department of Clinical Medicine, Aarhus University. He will be giving an inaugural lecture entitled:

” NAFLD: from bench to web”

The lectures are in English and take place at:

Aarhus University Hospital, Palle Juul-Jensens Boulevard 99, Entrance C,
Plan 1, Auditorium C114-101, 8200 Aarhus N.

The lectures will be followed by a reception in the conference room next to the auditorium.

Kind regards,

Lars Bo Nielsen
Dean
