

Invitation for inaugural lecture by Mette Nørgaard

24 January 2019

New Professorship at the Department of Clinical Medicine, Aarhus University

As of 1 July 2018, Mette Nørgaard was appointed professor in epidemiology of urinary tract diseases at the Department of Clinical Medicine, Aarhus University.

On Thursday 24 January 2019 at 13:00, Mette Nørgaard will be giving an inaugural lecture entitled:

”Urology and beyond – a clinical epidemiologist’s perspective”

The lecture is in English and takes place at:

Aarhus University Hospital
Auditorium C114-101
Palle Juul-Jensens Boulevard 99
8200 Aarhus N

The lecture will be followed by an informal reception outside the lecture hall.

Best regards,

Lars Bo Nielsen
Dean
