

Invitation for inaugural lecture by Per Løgstrup Poulsen

4 January 2019

New Professorship at the Department of Clinical Medicine, Aarhus University

As of 15 June 2018, Per Løgstrup Poulsen was appointed professor in cardiovascular diabetology at the Department of Clinical Medicine, Aarhus University.

On Friday 4 January 2019 at 14:00, Per Løgstrup Poulsen will be giving an inaugural lecture entitled:

“Hypertension and arterial stiffness in relation to long-term diabetic complications”

The lecture is in Danish and takes place at:

Steno Diabetes Center Aarhus
The auditorium at 2nd floor
Hedeager 3
8200 Aarhus N
([map](#))

The lecture will be followed by an informal reception at the same location.

Best regards,

Lars Bo Nielsen
Dean
